Career Objective

Seeking an opportunity to build my career in Data Analytics where I can apply my knowledge of SQL, Power BI, statistics, and data visualization to solve business problems. Currently pursuing an M.Sc. Economics with Data Analytics specialisation, I have developed hands-on projects in business intelligence and SQL based data analysis. I am eager to contribute analytical thinking, problem-solving skills, and a strong learning mindset while growing in a collaborative, data-driven environment.

Education

M.Sc. Economics (Data Analytics)

Expected 2027

Symbiosis School of Economics

Symbiosis International University, Pune CGPA: 7.99

B.A. in Economics

2022 - 2025

Ruparel College of Arts, Science and Commerce

Graduated with 8.31 G.P.A.
